The Quorum Hotel – Tampa Named One of the Best Places to Work in 2010 by the *Tampa Bay Business Journal*

Tampa, Fla., March 25, 2010 – At the Quorum Hotel – Tampa, management works hard to make sure their employees enjoy coming to work each day because they know a happy employee translates into a happy guest experience. That is why they are honored to have been chosen by the *Tampa Bay Business Journal* as one of the Best Places to Work in Tampa Bay for 2010.

The Quorum Hotel is one of only 60 Tampa Bay area companies named as a finalist this year, and the ONLY hotel receiving this outstanding honor.

This is the second time in the last three years that the Quorum Hotel has been named one of the Best Places to Work in Tampa Bay.

Employees of qualifying companies were surveyed by Quantum Market Research to determine the finalists. They are broken down into four categories ranked by size. The Quorum falls under the “Bigger” company category, the third largest of the four categories.

Actual category rankings will be announced at an event on April 22, 2010.

“We are so excited to once again be named one of the best places to work by the *Tampa Bay Business Journal* because we work hard to make this hotel not only an outstanding place to visit for our guests, but also an outstanding place to come to work to each day,” said Pam Avery, General Manager of the Quorum Hotel – Tampa. “We value our employees and their dedication and hard work, and this recognition represents that our employees know how important they are to us.”
