

Wyndham Tampa Westshore: Quality Meetings, Distinctive Hospitality

TAMPA, Fla. – Just minutes from Tampa International Airport, and near countless theme parks, beaches, museums, shopping and sporting facilities, the Wyndham Tampa Westshore is ideally located for business, leisure and meeting travelers. Beyond its great location, the Wyndham Tampa Westshore offers more than 13,500 square feet of flexible space, making the property a favorite setting for meetings of every kind. The hotel includes state-of-the-art meeting and function space, outstanding meeting services, superior staff and exciting recreational activities and amenities. The hotel also recently received its **Green Lodging Certification** from the Florida Department of Environmental Protection in recognition for their efforts to protect the area's natural resources.

Setting the Wyndham Tampa Westshore apart from other meeting hotels are the innovative and efficient "**Meeting Success**" programs for planners. The **2-Hour Response Guarantee** provides any inquiry with a response within two hours and a proposal by the next business day. If not, a five percent discount off the master account will be awarded. Once the planning begins, a **Wyndham Meeting Director** assists planners with all aspects of the meetings, giving groups a single point of contact and peace-of-mind planning. At the end of each productive day, the **Meeting Daily Debrief** takes the guesswork out of budgeting by providing a complete itemization for that day's expenditures to help manage expenses. All of these services are provided by the skilled staff at the Wyndham, some of which are designated Certified Meeting Planners (CMP) by the prestigious Meeting Professionals International.

An award-winning culinary staff is also on hand to compliment the theme of any Tampa event or holiday. Creative catering possibilities range from a casual Caribbean-themed pool party and a 50's sock hop to formal black tie affairs. Our on-site audio-visual experts will ensure that all the technical aspects of your meeting or event run smoothly and efficiently.

With most of the meeting space on one floor, attendees move quickly and efficiently from general sessions to breakouts. The hotel's largest space is the **Royal Palm Ballroom**, a 5,400-square-foot room that is divisible into five sections or used as one large meeting room for up to 650 attendees. Perfect for group meetings and meals is a 2,000-square-foot space – the **Princess Palm**. The **Queen Palm** and the **King Palm Meeting Rooms** can accommodate up to 70 people, with the option to split the Queen Palm into two sections to provide for smaller groups.

Additional meeting rooms include the **Sanibel** and the **Captiva Meeting Rooms**, each of which can host 45 people for a theater-style meeting or 15 people for a more intimate setting. Finally, the Wyndham's three boardrooms, the **Sabal Palm**, the **Majestic Palm** and the **Sand Key** are well appointed and can host up to 12 attendees.

A brand-new, tropical **outdoor deck area** offers planners 1,500 square feet of open air space for a true Florida-style meeting. Located just off the lobby, the deck allows for casual camaraderie and is the perfect venue for anything from a sunny continental breakfast to an evening cocktail party complete with live entertainment.

Available to guests at no extra charge is the lobby courtesy business center where guests can utilize a desktop computer, laptop data port, laser printer and high-speed Internet access.

The Wyndham Tampa Westshore offers amenities and services that make it easy to mix business with pleasure. The evening manager's receptions, Monday through Saturday, offer a fun and engaging way to mingle and relax with guests and colleagues, while enjoying complimentary refreshments. On Wednesday evenings during the receptions, the Wyndham features an interactive cigar rolling demonstration where guests can learn the art of rolling their own cigar. Other nightly themes include: The Art of Sports; a Wine & Art Patio Party; and "Yappy Hour," where four-legged friends are the special guests.

Additional on-property activities include swimming in the outdoor pool, working out at the fitness center, enjoying cocktails and networking at the Blue Water Grill, or settling in with a good book borrowed from the lending library. If shopping is their bag, the complimentary hotel shuttle will take guests to the area's major shopping destinations. Our complimentary shuttle will also transport your guests to and from the Tampa International Airport. Finally, those wanting to enjoy the great "green" outdoors may make arrangements with the hotel to golf at one of several nearby championship courses.

Meeting attendees will catch a good night's sleep in any of the 272 spacious guest rooms, including four junior suites and two executive suites. Blending island-inspired décor with Wyndham sophistication, all guest rooms and suites have been upgraded with new furniture, flat screen televisions and wood vanities with granite countertops. Each room also has a cordless phone, two separate phone lines, voice mail, speakerphone and modem hook-ups, as well as dedicated high-speed Internet access.

The Executive Club Level presents guests with complimentary continental breakfast, a plasma screen television, complimentary business center and several additional room amenities ranging from work desks to plush bathrobes. A combination of high speed and wireless Internet access is available in all meeting rooms and public areas. High speed is also available in the guest rooms.

A loyalty program that offers visitors many happy returns is the **Wyndham Rewards** program. Guests have the opportunity to accumulate points that can be used not only at the Wyndham Tampa Westshore, but also at more than 6,000 hotels, resorts and extended stay properties worldwide.
